

Logging in to SystmOnline

From the Practice Homepage, www.dunelmmedicalpractice.co.uk, click the link to SystmOnline. Alternatively, go directly to the Log in page at <https://systmonline.tpp-uk.com>

The Log In page will be displayed. Type in your Username and Password and click the Login button.

The screenshot shows the SystmOnline login interface. At the top is the 'systmonline' logo. Below it is the 'Login' heading. A message states: 'If you already have a username and password, enter them here. If you do not have a username and password, contact your practice to register for SystmOnline.' There are two input fields: 'Username' containing 'testpatient0101_100' and 'Password' with masked characters. A 'Login' button is below the fields. A link for 'I've forgotten my password' is also present. At the bottom, there are app store logos for the App Store and Google Play, and a note that self-registration is currently disabled.

If you have forgotten your password, click the link and follow the instructions.
